

First Lastname

EPFL-LABNAME

October 30, 2022

A very long presentation title to test the borders of this template

with an additional subtitle

This is the frame content

- with some itemize objects
- and another one

Enumerates should work too

1. one
2. two

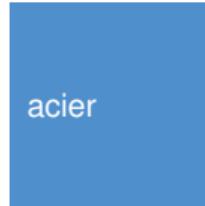

A second column with other content, maybe more text, or something **emphasized**. For more, highlight in **red** or **blue**.
